25	CCG	No EMR at Present. Previous EMR Porta Cabin got damaged due to tree fall.	EMR needs to be arranged in two parts – Clinical Porta cabin (150 Sqft) inside the ORH with station road facing & pharmacy among window 11-16 of Booking Office. <u>Decision pending with Sr. DEN HQ</u>
	<u>Retender</u>		
26	MRU	Present Location appears to be not viable as no one has quoted on repeated tenders.	Will be explored for alternate location as per Eng. DEN (Estate-South)
	<u>Retender</u>		
27	JOS	Service provider agreed for arrangement of light weight structure over FOB as there is no land available (East side – 6 th line proposal)	Two letters are written to service provider, didn't have the response from service provider. <u>On the Deck-Light Weight Structure</u>
	<u>Ruby Ailcare</u>		
28	RMNR	Joint survey proposed North East side near the landing of FOB.	Lot of Municipal garbage & land become muddy with monsoon rain. Review of this site may be needed.
	<u>Ruby Ailcare</u>		
29	NIG	EMR is on the west side of station. There is less passenger flow on west side. For viability EMR may be shifted to east side.	Service provider is willing to shift the EMR on his own expenses. <u>New Location inspected by all Officials. Decision pending with Sr. DEN Co.</u>
	<u>Magic Dil</u>		
30	SAH	No viable location found for EMR <u>Porta Cabin- East side of PF, near New Building</u>	No one has quoted on repeated tenders.
	<u>Retender</u>
