## FUTURE VISION

- Level 3A NICU is proposed in the department of Paediatrics and Neonatology which will help in management of extreme preterm babies and other high risk neonates in-house.
- Continue to provide Pediatric and Neonatal Care as per National Guidelines and keep on improving in accordance with Recent Advances.
- Continue proper Immunization Services in the Department in accordance with the National Immunization Schedule [NIS] and also to continue "MISSION INDRADHANUSH" and any other health directives by Department of Health and Family welfare, Govt. Of India.[ like MR Vaccination Campaign, Pulse Polio Campaign]
- To further improve the quality of teaching of DNB students as per Guidelines of National Board of Examinations in Medical Sciences [NBEMS] for overall academic improvement of DNB students this in turn will improve services to Railway beneficiaries.
